WESTHOPE Cemetery

Located one mile north and two and one half miles east of the town of Minnedosa, at NE 9-15-17 WPM, this rural cemetery was first established in 1892, on an acre of land donated by Richard Holmes. The first burial was of Arthur Holmes, son of Richard Holmes, an eccentric, who had his son buried with his feet to the north and therefore would be different from everyone else. For more information on this cemetery, please contact Allan and Gladys Broome, in Minnedosa, MB.

ALL SAINTS Cemetery

Located four miles north of the village of Clanwilliam, at NE 36-16-18 WPM, this rural cemetery was first established in 1884, when Octavious Averill, donated an acre of land for the site of the All Saints Anglican Church and Cemetery. During the 1990's the church was turned over to a group of local people and is no longer affiliated with the Anglican Church. These local people still maintain the Church, which has changed very little to this day, and is still used for the occasional wedding or family service, as well as maintaining the Cemetery. For more information on this cemetery, please contact Glen Crawley, in Clanwilliam, MB.

IMMANUEL LUTHERAN Cemetery

Located one mile north and two miles east of the village of Clanwilliam, at NE 20-16-17 WPM, this rural cemetery was first established in 1907, when a group of Scandinavian families, who had immigrated from the United States, organized a congregation. A two acre parcel of land was donated by Iver Hanson Sr. and in 1912 a church was built. Due to a declining rural population, the Church was closed in 1995, sold and moved. The Cemetery is still maintained by a group of local people. For more information on this cemetery, please contact Lorne Erven, in Minnedosa, MB.
