SMOLAND Cemetery

Located four miles south and 1 mile east of the Town of Minnedosa at NW 15-14-18 WPM, this rural cemetery was first established in 1909, when Mr. Wallin donated three acres of land to a large Swedish settlement who had moved to the area in 1907-1908, for the development of a church and cemetery. In 1958 the Smoland church (called the Swedish Mission Covenant Church) was struck by lightning and burned to the ground. A new church building was erected in Minnedosa at 4th Ave. S.W. which is still used today. For more information on this cemetery, please contact Garth Johnson.
