When you get to this screen, you must locate your residence on the map to the right. The map is difficult to use, but necessary.

Move the map pointer  to the location of your residence, by clicking on it and dragging it around the map. For a better picture, you may have to switch the map to satellite view using the tab located on the map or use the scale to zoom in and out.

Once the pointer is in the correct position, scroll to the bottom of the screen and press the continue button.
